ANTI-THEFT HEIGHT ADJUSTABLE TABLET KIOSK FLOOR STAND FOR 9.7" IPAD/IPAD AIR

Ideal for Trade Show, Store Display and More Public Places

DESCRIPTION

The PAD12-05AL, anti-theft height adjustable iPad floor stand with lock, is designed for securely displaying in the public. $\pm 90^\circ$ tilting and height adjustable tube allow the installed iPad to face the large audience and avoid light reflection. The iPad case is designed with home bottom, power cable and other ports available to satisfy extra operating needs. Power cable and other cables can run along the tube for better organizing

FEATURES

- Heavy-Duty Steel Construction: provides extra strength and durability
- •Precise Cutouts: for complete access to all buttons, cameras, and power cable
- •Anti-theft Lock with a Key: for additional security preventing any unwanted removal in the public
- •Bolt-Down Base: tamper-proof solid support for extra security
- •Free-Tilting Design: for multiple viewing experiences
- •Height Adjustment: satisfies user's different preference
- •Rear Cable Management: for a neat and clean look
